Owl Dollars do not expire and can be added through the GET app.

Meal Swipes - When and Where to Use

Meal swipes can be used at both Rose Hill's Café and Elaine's Dining Hall. Rose Hill's offers many food selections like coffee, pizza, sandwiches, and other snacks.

Dining Dollars vs. Meal Plan

We suggest using Dining Dollars when you are NOT getting a full meal (entrée, two sides, beverage, and dessert/fruit).

Pro Tip: Use your Dining Dollars to get a coffee at Rose Hill's Café, and then you can go to Elaine's during the same Meal Time to use a meal plan swipe for breakfast food. If you use the meal plan swipe for the coffee, you will not be able to eat breakfast food at Elaine's during the same Meal Time.

Beverages Included in Meal Plan

Soft drinks and juices are included in the Meal Plan. Any drink located in the fridge are an additional charge outside of the meal plan.

Outside of Meal Times

Students can use a meal swipe outside of Meal Times as long as Elaine's or Rose Hill's are open. You can buy coffee, snacks, drinks, or order from the Grill Station, but main entrées of the day are NOT available outside of meal times.

How to Use Dining Dollars

Please tell the cashier if you want to use Dining Dollars instead of a meal swipe. This must be communicated because the system is automatically set to take a meal plan swipe if you have one.

Reusable Trays

Please return all reusable trays to Elaine's Dining Hall immediately after use. Please DO NOT leave the trays in the Residence Hall.

Dietary Restrictions

Vegan and vegetarian items are available every day for every meal.

Bon Appetit offers a wide variety of dietary preferences, and many meals can be customized.

The general manager & executive chef can answer questions and help you get to know what foods work for you in the café. They can also work with you to prepare items that meet your dietary needs.
