ENGLISH LANGUAGE IMMERSION PROGRAM AVAILABLE!
SUMMER OF ART IS...

an intensive, four-week, pre-college program for students ages 15 and older who wish to experience what it is like to study at one of the top art and design colleges in the country. Serious young artists seeking to strengthen and enhance their art and design skills, as well as students with limited art training, are invited to participate.

IMMERSE YOURSELF IN A DYNAMIC, CREATIVE ENVIRONMENT WITH OTHER STUDENTS WHO ARE PASSIONATE ABOUT ART AND DESIGN. THIS SUMMER, BUILD AND DEVELOP YOUR CREATIVE AND ARTISTIC SKILLS WHILE EXPLORING A SPECIFIC MEDIUM OR ASPECT OF ART AND DESIGN.

COURSES
Small classes ensure personalized, in-depth learning. Rigorous course work includes hands-on studio courses and labs in your chosen Specialization Course (three days per week) and/or Foundation Studio Course (two days per week). Classes meet 9:00 am - 4:20 pm, Monday through Friday. (Some outside work is required.) 2 units of college credit for Specialization Courses and 1 unit of college credit for Foundation Studio Courses are awarded to eligible students upon successful completion of the program.

ENGLISH LANGUAGE IMMERSION
Otis' Summer of Art English Language Immersion courses are designed to provide a creative environment to expand one’s competency of the English language while developing skills and knowledge of art and design. See pages 7 and 14 for complete information.

FACULTY
Summer of Art courses are taught by award-winning instructors who are practicing professionals, many of whom teach in Otis’ undergraduate and graduate programs. Contact with these instructors provides a glimpse into the working lives of professional artists and designers and introduces you to many career choices in art, design and related fields. Check out our instructor bios at:

www.otis.edu/soa

FINAL EXHIBITION
On the last day of the program there is a final exhibition of student work. You and your instructors will select your best work for the exhibition. The work is displayed throughout the campus, giving you the experience of being part of a gallery show with your peers, while sharing your artwork with family and friends.

HOUSING PROGRAM
Optional student housing is available for an additional fee for students between 15 – 18 years, who are enrolled in the full 5-day per week program. Students reside in one of Southern California’s most desirable communities. Students live in a furnished apartment near Otis College of Art and Design. A trained Resident Assistant resides in each apartment unit providing supervision for the Summer of Art residents. All resident students participate in organized evening and weekend activities such as beach trips, variety shows, museum visits, and dances. See page 12 for complete housing information.
Being at Otis has helped me define myself as a creative person, providing me with the tools I need to explore that creativity. And there’s this sense of being a part of this place.

Otis prepares diverse students of art and design to enrich our world through their creativity, their skill, and their vision.

At Otis we promote excellence, innovation, and rigor in education within a caring, collaborative environment. Students are encouraged to be individualistic and passionate in their approach to art and design.

As Los Angeles’ first independent professional school of art and design, Otis College is located on the west side of Los Angeles in the heart of Southern California’s creative community. The nearby coastal communities of Venice, Marina del Rey, and Santa Monica are home to many of Los Angeles’ most important art and design studios, as well as headquarters for many leading film, digital imaging, and toy companies.

Admissions welcomes you...

Throughout your Otis experience, the Admissions office is available to answer questions about Otis and applying to a college of art and design. All Summer of Art students are invited to drop in any weekday at 4:20 pm to speak with an Admissions Counselor and receive an informal portfolio review.

Applying to Otis College of Art and Design
All Summer of Art alumni who apply to Otis College will have their application fee waived. Contact admissions@otis.edu for details.

Otis BFA Scholarship Award
One accepted Otis undergraduate applicant, who completes the Summer of Art program with outstanding artistic and academic achievement and meets the Otis GPA requirement, will be selected to receive an $80,000 scholarship award towards tuition for Otis College of Art and Design (to be paid out over the course of four years).

Summer of Art is designed to provide you with a comprehensive art immersion experience. Foundation Studio Drawing Courses help develop and strengthen eye hand coordination and drawing skills. Specialization Courses deepen skills and confidence in a specific area of artistic study. While it is optimal to take both courses for the full experience, we also offer 2- and 3-day options for students who cannot attend both.

**DAY ONE: EXPLORING CREATIVITY**
A full-day dedicated to discovering innovative approaches to creative problem-solving, while getting to know the Summer of Art community. This unique day has the potential to deepen your overall experience and enhance the outcome of your work. All Summer of Art students are required to attend.

**FOUNDATION STUDIO COURSES**
The fundamental skills of all art and design disciplines, whether in fashion, painting, photography, or digital media, are rooted in observational drawing. Foundation Studio Drawing Courses mirror learning experiences within the Otis undergraduate first year. Get a head start in furthering your art and design education at the college level by spending two days per week in an observational drawing studio.

**SPECIALIZATION COURSES**
Choose one Specialization Course for in-depth exploration in a specific field of art. Specialization Courses meet three days per week and are designed to give you a robust, comprehensive experience of your chosen focus.

**SUMMER OF ART CLASSES MEET**
Monday – Friday from 9:00 am – 4:20 pm
OUTSIDE ASSIGNMENTS SUPPLEMENT ALL IN-CLASS COURSEWORK.

**BEGINNING DRAWING**
Draw from observation and develop your perceptual and pictorial skills. Learn about composition, perspective, and representational analysis using line, plane, and the dynamics of light. You’ll work with a range of materials including graphite (pencils), charcoal, and color pastel. Recommended for students with little or no previous drawing experience.

**INTERMEDIATE DRAWING**
Further your skills of observation, spatial analysis, and compositional organization through a variety of media and techniques. Develop your critical thinking and drawing skills through traditional and experimental activities that are conceptually challenging. Students must have previous beginning drawing experience.

**LIFE DRAWING**
Render the human figure while exploring a variety of drawing media and techniques. The unclothed model provides for the study of gesture as well as skeletal and anatomical structure. Students must have previous beginning drawing experience.
ARCHITECTURE/LANDSCAPE/ INTERIORS
This course introduces the design principles and skills necessary to communicate your own vision of spatial design. Course covers topics including design methodologies, materials, drafting, and model-making. The final project consists of a proposal and model for your own, personal micro-house with landscape. Course includes a field trip to view examples of built architecture, landscape and/or interiors projects.

DIGITAL MEDIA: 2D ANIMATION
Develop both hand and computer animation techniques, by using traditional hand methods and Flash on Wacom technology. In this course, you’ll learn full character animation skills including the basics of timing, weight, and anticipation. During this class, students view and analyze a variety of animated films to aid in studying technique and developing animation projects.

DIGITAL MEDIA: CONCEPT DEVELOPMENT AND CREATIVITY
Concept art is a form of illustration used to convey a visual representation of a design, idea, and/or mood for use in films, video games, animation, or comic books. In this course students produce their own motion comic. Learn the elements of creating an original storyline and how to tell a visual narrative using both traditional and digital techniques. Develop your skills in brainstorming and storyboard development. Projects may include the use of Photoshop, Illustrator, and After Effects; and incorporate audio, digital photography and typography.

SELECT ONE OF THE FOLLOWING OFFERINGS

FASHION DESIGN
Explore the world of fashion design including fashion illustration, model drawing, apparel construction, and garment design. With guidance from industry professionals, develop an inspiration board and simple fabric story, create your own designs, and illustrate them professionally using the fashion figure. Draw from the live fashion model using the poses, proportions, and fashion elements appropriate for fashion design and illustration. In apparel construction, students develop and produce a custom project using professional sewing equipment. No previous sewing experience is required.

GRAPHIC DESIGN
Create effective and compelling graphic design projects, as you develop concepts and work with images, typography, composition, and sequence. In this course, students experiment with various media from letterpress to digital. Recommended for students with an interest in graphic communications such as posters, books, identity, advertising, packaging, multimedia, and online communications.

ILLUSTRATION
This course introduces you to the art of illustration and narrative sequence. You’ll develop conceptual ideas and strong drawing skills for specific visual and illustration projects. Recommended for students with interest in illustration and drawing leading to a variety of careers, including advertising, animation, comic book, editorial, and book illustration.

PAINTING
This hands-on course explores the materials and techniques of painting including application, brushstroke, use of color, and composition. Course also focuses on representational and abstract imagery, as well as the development of a personal style. Includes historical and contemporary issues related to painting.

PHOTOGRAPHY
Develop your skills in both traditional and digital photography while focusing on traditional themes of still life, portraiture, and documentation. Course begins with the traditional single-lens reflex camera, properties of black-and-white film, shooting techniques, film development, and printing. Through the use of new technology, including the digital camera and Photoshop, learn how to enhance and manipulate images. Students furnish their own 35mm film and digital cameras, film, and paper.

PRINTMAKING AND URBAN ART
Develop and design art that carries your own message while exploring urban art throughout history as it relates to populist themes such as peace, justice, freedom, human rights, and equality. You will learn the fundamentals of printmaking by incorporating screen printing and wood block techniques with drawing, painting and collage, to print on tee shirts, tote bags, posters and more.

PRODUCT AND TOY DESIGN
Explore the design development process in the fields of Product and Toy Design from conceptualizing/extension, and a successful brand. ENGLISH LANGUAGE IMMERSION COURSES

The Summer of Art
English Language Immersion Program combines academic work with a rich fun environment. The program is designed to expand language skills and knowledge of art and design.

(See page 14 for complete information.)

DRAWING AND COMPOSITION
(3 DAYS/WEEK)
An immersion course for English Language learners, focused on developing skills in the elements of drawing and composition. In this course, students are immersed in both English language and art-making experiences. Through demonstration, class exercises, and critiques, students explore terminology and concepts of contour line, cross contour, modeling, uses of marks to show form and space, perspective, scale and measurement, and positive/negative space.

ART, DESIGN, AND CULTURE
(2 DAYS/WEEK)
Enhance your basic English language skills—speaking, listening, reading, writing, and vocabulary building—in this unique program designed to take your communication skills to the next level through art and design content. Develop confidence in your ability to express your ideas through group projects and presentations on the visual arts and multicultural issues, with an emphasis on understanding American culture.
The full 5-day per week Summer of Art program is designed to provide a comprehensive art immersion experience. While it is optimal to take both courses for the full experience, we also offer 2- and 3-day options for students who cannot attend both.

SUPPLIES
ART SUPPLIES (ESTIMATED) $200–$400
Supplies vary depending on the courses taken, but you should estimate that materials will cost $200 - $400. Registered students will receive a supply list and a list of art stores in the area. Be sure to bring your supplies on the first day of class. Fashion students may purchase a supply kit at a discount on the first day of class.
Summer of Art scholarships are available to students who, for financial reasons, would not otherwise be able to attend. Awards are based on family financial information, portfolio, and grade point average. Due to limited funding, scholarships are only available for U.S. citizens. Unless otherwise stated, awards can be used toward tuition only and cannot be applied toward supplies or other expenses.

A limited number of merit-based scholarships may be available. If you are applying for a merit-based scholarship, please follow the Scholarship Required Documents and Portfolio submission instructions.

A complete scholarship application must include all required items and be received by Friday, April 22. Incomplete applications will not be considered. Applicants will be notified of the results as soon as award decisions have been made.

Do I need to submit a $200 deposit if I’m applying for a scholarship?
If your attendance is contingent upon receiving a scholarship award, you are not required to submit the $200 deposit.

If you plan to attend the program regardless of whether a scholarship is granted, please submit the $200 non-refundable deposit to ensure your place in the program. Full-tuition scholarship recipients will be refunded the $200 deposit.

Questions?

If you are over 18 years of age, contact the Office of Residence Life and Housing for alternative housing options.

International students are welcome to attend Summer of Art. The program is conducted in English only, so international students must have strong English language skills.

English Language Competency

If you are applying from a country where English is not the primary language and you wish to participate in Specialization and Foundation Studio courses, your registration form must be accompanied by one of the following:

- A letter on school letterhead from a school official, counselor or English teacher that affirms college-ready skills in listening to, speaking, reading, and writing English.
- Proof of one of the following language competency test scores:
  - TOEFL Exam with a score of 79 or above
  - Pearson Test of English with a score of 58 or above
  - iELTS with overall band score of 6.5 or above

If your scores are lower than the above, you may still qualify to attend the English Language Immersion Program. See page 14 for details.

Can I Attend for College Credit?

In order to attend Summer of Art for College Credit, an I-20 Certificate of Eligibility for an F-1 student visa* is required.

International students attending for College Credit must:
1. Currently reside in the United States.
2. Be attending another academic institution under a current student visa.
3. Submit proof of attendance from your school on current letterhead, with dates of attendance, and signed by a Designated School Official.
4. Submit copies of your passport, visa, and I-20.

If I Am Not Eligible for an F-1 Visa, Can I Attend for Non-Credit?

International students who are not eligible to obtain an international F-1 visa* can apply for a B- visa* at a U.S. Embassy or Consulate. A full refund will be granted to students who withdraw prior to July 5, 2016. However, the Summer of Art program policies for withdrawal and refunds will apply after the program begins (see page 18 for details).

Due to Federal guidelines under the United States Homeland Security Act, Summer of Art will not admit students without current U.S. Federal documentation. Applications without proper documentation will not be processed.

Please contact the Summer of Art office for information on required documents and instructions, at (310) 665-6864 or via e-mail at soa@otis.edu.

*Other visa types may be eligible, contact the Summer of Art office with questions.
The Otis Summer of Art English Language Immersion program is for students who want to develop competency in the English language. The program provides an excellent opportunity to improve English language skills while preparing students for living in Los Angeles, as well as attending Otis or another college of art and design.

The four-week program blends experiential learning through studio practice with intensive training in language and academic skills, as well as visits to local cultural attractions. For course descriptions see page 7.

The English Language Immersion program is open to participants seeking admission to Otis and other colleges and universities, as well as individuals interested in creative and personalized English-as-a-second-language instruction.

**English Language Competency Requirements**

If you wish to attend the English Language Immersion program, your registration form must be accompanied by proof of one of the following language competency test scores:

- **TOEFL exam** with a score of 45 or above
- **Pearson Test of English** with a score of 42 or above
- **iELTS** with overall band score of 5 or above
- **TOEIC exam** with a score of 500 or above

“I had an awesome time at Summer of Art. I feel like I have learned so many things and had a great time while I was at it.”

“I’m so happy I chose this program! It was better than any other classes I have taken at art schools over previous summers. Loved it!”

“Great program, great staff, great experience! Just within the course of 4 weeks I learned so much!”
**PROGRAM POLICIES**

**GRADES AND CREDIT**

Students who successfully complete their courses of study for credit will receive the following units of college-level credit:

- 1 unit - Foundation Studio Course
- 2 units - Specialization Course

Evaluation of course work is indicated by the letter grades “A” through “F.” Dismissal from the program, for any reason, may result in an “F.”

**TRANSCRIPTS**

Students may request transcripts for transfer of credit to other institutions. Please call the Registration office at (310) 665-6950 to request official or unofficial transcripts. Transcript requests are not processed through the Summer of Art office. Credit toward the Otis undergraduate program is awarded at the discretion of the department or Major Chair.

**ACCREDITATION**

Otis is fully accredited by the Western Association of Schools and Colleges (985 Atlantic Ave, Suite 100, Alameda, CA 94501, (610) 748-9001) and the National Association of Schools of Art and Design (11250 Roger Bacon Dr., Suite 21, Reston, VA 20190, (703) 437-0700).

**CANCELLED CLASSES**

If a course does not meet a minimum enrollment, it will be cancelled. Students will be contacted regarding their second choice.

**ATTENDANCE**

Attendance policies are strictly enforced; a student who misses three classes from their Specialization Course, and/or two classes from their Foundation Studio Course will be subject to removal from the program without a refund.

**FREE TIME**

Students who stay in housing have free time with no direct supervision of the Resident Life or College staff from 4:20 pm to 10:00 pm, Monday through Friday, before and after Saturday field trips until the 10:00 pm curfew, and all day on Sunday until the 10:00 pm curfew.

**WITHDRAWAL AND REFUND POLICY**

If enrollment is cancelled before Summer of Art begins, 100% of tuition paid will be refunded, less the deposit and fees. After the program begins, refunds will be issued according to the schedule below:

- 1st day of program (before 5:00 pm) 80%
- 2nd day of program (before 5:00 pm) 70%
- 3rd day of program (before 5:00 pm) 50%
- After 5:00 pm of 3rd day of program No Refund

The $200 deposit and program fees are non-refundable. Refunds take approximately six weeks to process. Refunds made by credit card will be refunded back to the credit card account. Students must submit a withdrawal request in writing to the Continuing Education and Pre-College Programs office in person, by mail, email, or fax no later than 5:00 pm, Tuesday, July 12, 2016. Failure to properly withdraw from a course by the deadline will result in an “F” grade.

**ZERO TOLERANCE POLICY**

Otis College maintains a zero tolerance policy for all illegal activity, including the possession or use of drugs, alcohol, or firearms, whether on or off the Otis campus. Students who are in violation of any Otis policies, rules, regulations, etc. or otherwise create an unsafe or unproductive climate may be disciplined by Otis at its sole and exclusive discretion. The discipline may include dismissal of the student from the program without any refund and/or the receipt of a grade of “F.” Prior to check-in, each student and his or her parent/guardian must sign an acknowledgement form regarding these policies.

**NON-DISCRIMINATION POLICY**

Otis College of Art and Design, in accordance with applicable Federal and State law and College policy, does not discriminate on the basis of race, color, national origin, religion, sex, gender identity, pregnancy/childbirth and medical conditions related thereto; disability, medical condition (cancer related or genetic characteristics), ancestry, marital status, age, sexual orientation, citizenship, veteran status, or other characteristics or classifications protected by the law. This nondiscrimination policy covers admission, access, and treatment in College programs and activities. The following person has been designated to handle inquiries regarding the non-discrimination policies: Amy Gantman, Dean of Continuing Education and Pre-College Programs, Otis College of Art and Design, 9045 Lincoln Boulevard, Los Angeles, CA 90045, (310) 665-6850

**DISCLAIMER**

Otis College of Art and Design reserves the right in its sole discretion, to deny any persons registration or enrollment in, or admittance to, any Continuing Education or Pre-College course.
