About Me
Hello! My name is Ayden, and as a guy born and raised in the state of Alaska, I like to think I have a pretty good idea of what’s cool. (Get it? Cause of all the snow? I’ll see myself out). Some of my favorite activities are playing video games (I’m a massive Nintendo and Sonic fan), watching movies/anime, playing basketball, and going to the gym. I enjoy meeting new people, and I hope that if you have any questions about Otis, you won’t hesitate to ask!

Advice
Don’t procrastinate on homework assignments. Considering how much time art assignments tend to take, one of the worst things you can do is wait until the night before the due date to complete them, so please, for your sake, don’t procrastinate!

Favorite Part of Otis
It would have to be the student lead events as they tend to have really fun activities, good food, and sometimes even prizes! Also, if for some reason you can’t make it to an event, there’s always another event right around the corner that you could attend instead.
