

Digital Media Minor

The Digital Media minor provides students with the opportunity to explore traditional and digital skills related to creative designers, artists, and storytellers in motion graphics, modeling, animation, visual effects and concept art for film, television, video games and advertising industries.

Eligibility

The Digital Media minor is open to students majoring in Architecture/Landscape/Interiors, Communication Arts, Fine Arts and Product Design. Because of their major curricular requirements Fashion Design and Toy Design majors will only be approved to enroll on a case-by-case basis. Students must be on track in their major and in good academic standing, with fewer than 6 credits behind and a cumulative GPA of 2.0. Digital Media minors may participate in the Digital Media Department's senior show on a case-by-case basis with approval from the Department Chair.

Required Courses
