

# Painting Minor

The Painting minor provides students the opportunity to explore the technical, formal, historical and theoretical approaches to painting through a combination of studio and art history courses. Explorations in oil, acrylic and mixed media as well as analysis of contemporary practices lead to students developing personal strategies in painting.

## **Eligibility**

The Painting minor is open to students majoring in Architecture/Landscape/Interiors, Communication Arts, Digital Media, Fashion Design and Toy Design. Because of their curricular requirements Product Design majors will only be approved to enroll on a case-by-case basis. Students must be on track in their major and in good academic standing, with no more than 6 credits behind and a cumulative GPA of 2.0. Painting minors will only participate in the Senior Show of their home department, however depending on space availability they may utilize Fine Arts Senior Studios on a case-by-case basis with approval from the Department Chair.

## **Required Courses**

PNTG204	Painting I	3.0	(fall only)
AHCS226	Contemporary Art Survey	3.0	(fall only)
