# **Sculpture / New Genres Minor**

The Sculpture/New Genres minor provides students the opportunity to explore the technical, formal, historical, and theoretical concerns of creating meaningful objects, installations and timebased art (including video, sound and performance) through a combination of studio and art history courses. Students will explore a range of techniques and methods while developing individual artistic practices in three and four dimensions.

#### Eligibility

The Sculpture/New Genres minor is open to students majoring in Architecture/Landscape/ Interiors, Communication Arts, Digital Media, Fashion Design, Product Design and Toy Design. Students must be on track in their major and in good academic standing, with no more than 6 credits behind and a cumulative GPA of 2.0. Sculpture/New Genres minors will only participate in the Senior Show of their home department, however depending on space availability, they may utilize Fine Arts Senior Studios on a case-by-case basis with approval from the Department Chair.
